Verona Area High School & Community Members have teamed up with Gray’s Tied House of Verona to sponsor our 10th Annual “NIGHT OF HOPE” *Friday, January 23rd, 2015 * From 4-9 PM

- All proceeds from this event will go to Madison’s McArdle Laboratory for Cancer Research in honor of all Verona Area School District families who have been affected by cancer.

- 2 live bands will be performing (donations accepted at the door)

- Silent Auction from 4-7 pm and raffle tickets available for on-site prizes, including gift baskets, hand-made gifts, fine wine, ceramics, gift cards from generous local businesses, & more!

- A portion of all food (including carry-out orders), gift certificates and beverage sales will be donated to the cause! So come early, bring plenty of guests, then eat, drink, and be merry!

Over the past 9 years, we have raised over $28,000 for the McArdle Laboratory for Cancer Research, part of the UW’s Comprehensive Cancer Center. McArdle researchers devote themselves specifically to finding new ways to prevent all types of cancer. This lab also dedicates its efforts to finding improved therapies for cancer patients.

We’re excited to have the opportunity to get together around the holidays & to make a difference for those close to us affected by cancer.

Please make checks payable to: McArdle Laboratory Fund
