Rescuing US Biomedical Research

Shape of the Biomedical Research Workplace:
How should university policies, departments and laboratories change to accommodate fewer governmental funds available to maintain them?

Two chances to join the discussion:
With special sections for grad students and post-docs only

March 10th 2-4pm
2-3:30 Everyone, including grad students and post-docs
3:30-4 Grad students and post-docs only
Ebling Auditorium, Microbial Science Building

March 12th 4-6pm
4-5:30 Everyone, including grad students and post-docs
5:30-6 Grad students and post-docs only
Room 1335, Health Sciences Learning Center
